OFFICE NOTE.

SUBJECT. Pension to Field Inspector Rosencah

LAST REFERENCE. Letter No. 217/12 dated 12th July 1898 from the Conservator of Forests

cl N° 20 and 21 of 7th 7.9.95 Sect VI

At the request of Rosencah and On the recommendation of the Conservator of Forests as contained in his letter N° 4788/296 dated 29th April 98 the retirement of Rosencah was sanctioned from 1st July 98. W. Shanmey stated that the Field Inspector had rendered 10 years service to the satisfaction of himself and to the late Mr Sanderson. As extra ordinary pension was not possible in a case like this it was stated that Compen-

cl N° 20 (a)

pension might be granted,
the appointment of Field
Inspector being abolished.

2. With his letter Nr. 217 of 12/7/98
~~forwarded~~ under reference the
Commissioner submits Roxmeah's
pension application in which
Lt. Shanmugam calculates the
amount of pension at R170 p.m
Col Campbell Walker says that
Roxmeah has put in only 9
years service in the Mysore
State, that he was only paid
from working charges and
not borne on fixed ~~establishment~~
~~schedule of~~ Rs 8/ that therefore
Comptrollers verification would
be purely perfunctory. He
is disposed, under the circumstances
to recommend, as a special
case, a special pension of
R/50/ per mensem to the Field
Insp.r this Govt to dummy
a lien on his services if
required at any future time

(1) Service Regulations do not apply to his case

3. Considering the meritorious
services rendered to the State
by Roxmeah both during

the seasons of Kheda operations and on the occasions of visits paid by distinguished personages to the Kheddas, Col Walker suggests the

It has now been ascertained from the Comptroller's Accounts that strictly speaking not entitled to any pension at all. The reckoning of his Mysore Service and the adding to it of three years of his British Service (taken on trust) are both conceptions of an exceptionally liberal character.

Lately when I had been on leave, to my native country, I was quite alarmed to find the rumour damage to all my

properties in addition to loss of several lives caused by floods and late cyclone. Recently my wife who was doing managing my estate and other affairs there, is precariously laid up, and there is no hope of her recovering. Thus I have none but myself left to manage the affairs there. Under these circumstances I am obliged to go back to my country. I request therefore that you will be pleased to recommend to Govt. to grant me an extra-ordinary pension under the Rules for my ten years service - from June 1888 to 1st July 98 when I intend retiring. If Govt may ever desire to resume Khiddah operations, and my service be necessary I shall bind myself to attend any call

Sir

Adverting to Government Proceedings no: 12261-2 / H.F.9-95 dated 27th ultimo ordering retirement of Kheddah Field Inspector, Cosseneah, on pension, I have the honor to forward herewith copy of Kheddah Superintendent's letter no: 3 dated 7th instant together with pension application on behalf of Cosseneah and to state that as the Field Inspector has only put in 9 years service in the State he is only entitled to a gratuity under

320(a) - After a service of less than twenty years a gratuity not exceeding one month's emoluments for each completed year of service.

278 - A compensation pension is awarded to an officer discharged from the public service because on a reduction of establishment his appointment is abolished & other suitable employment cannot be found for him.

article 320 (a) of the Service Regulations but Mr Shanmugam recommends a compensation pension of Rs70 per mensem under article 278 of the said Regulations under which the award of pension is, I think, subject to article 320(a)

2 Considering the meritorious services rendered by the Field Inspector during past 9 years and the loss of his 13 years service in the Dacca Kheddah Department in consequence of his having been selected and brought away by the late Mr Sanderson and the premature age at which Bosseneah has been retired owing to the suspension of Kheddah operations in Assam though partly at his own request I am disposed to recommend that he

be granted a special pension of Rs50/- per mensem this Government retaining a lien on his services if required as suggested in para 4 of my No: 13/1 of 1st July last. A certificate on parchment by or on behalf of Her Highness the Maharanee Regent in recognition of his services as also proposed in the above communication would be highly appreciated by him and may, I suggest, be granted. (1) (2)

3. The Kheddah Superintendent not having furnished last pay certificate the same has been called for and will be transmitted to the comptroller

4. Cossemeah having been paid out of Working charges and not borne on Annual Schedule of Establishment the Verification of his services by the

Comptroller as directed in the Pro-
- ceedings under reference would be
purely perfunctory and that of the
Kheddah Superintendent may be
accepted as sufficient. more over
his case for pension is based on
special considerations rather than
on length of service or the regulations.

early orders on his pension application

Sir,

Enclosure

With reference to your memo No. 5655/1138 dated 28-6-98 forwarding copy of Government Proceedings No. 1226 1-2 / F.F. 9-95 dated 27-6-98 retiring Asseemeah Field Inspector from service from 1st July 1898, I have the honor to submit herewith an application for pension on his behalf.

This official was brought to Mysore by the late Mr Sanderson from Dacca Khedda Establishment in which he was employed as Khedda Head Jamedar for about 18 years. He understands the art of capturing Elephants very well. In addition to this his hardwork greatly helped the capture of 622 Elephants in the Mysore Province and thereby he has secured certificates from many high personages such as His Royal Highness Prince Albert Victor of Wales, His Highness the late Maharaja of Mysore. Their Excellencies Lord Lansdowne and Lord Elgin Viceroys of India. Commissariat

Genl of Calcutta and the late Mr
Sanderson. His retirement was
necessitated on account of the abo
lition of the post for winding up
the Department. I therefore beg to
recommend that he should get a
Compensation pension of Rs 70/- under
section 27 of Mysore Service Regulations
which in my opinion is not too excessive.
Considering the hard and approved service
he has rendered always working mostly
in the heart of sickly jungles and under
going many privations and risks. If
Mr Sanderson had already moved the
Government to ask the Government of India
for the loan of his service he would have
secured the Dacca service of 13 yrs ago
also and there would have been no
difficulty in earning the amount
of proper pension. The amount now
recommended is only about ⅓ of his present
pay.

Therefore I request that the Conservator
of Forests will be so good as to give his
favorable Consideration the distant
Country from which he was drafted
to take service in Mysore — the loss of

his permanent appointment in the Daccakheddao and of his 13 Years' Service there and the approved service he has rendered.

As it will be very difficult for him to maintain himself in a foreign place I request that early orders may be passed about his pension.

Sir

I have the honour to submit for your favourable consideration and orders.

Having worked with zeal and indefatigability in the various Khedda operations my services were duly appreciated by His Highness the Late Maharaja Chamarajendra Wadyar Bahadur and his many distinguished guests. His Royal Highness the Late Prince Albert Victor of Wales Their Excellencies Lord Dufferin, Lord Lansdowne Viceroy and Governor Generals of India and other nobles and also by the Dewan of Mysore

In the earlier days of my employment liberal money rewards were made to me and subsequently I was presented with an elephant on the occasion of each capture as sanctioned by the Late Inspector General of Forests and approved by Government in place of money reward. I continued to main-

this privilege up to last capture in Mysore Kheddahs. No elephant was presented me for the captures made in Shimoga nor for three catches effected in Mysore under Bengal System when upwards of 150 elephants were roped and secured. In all I should have got four elephants as per Late Inspector general's orders but none was given me. In lieu of these elephants I solicit to be favoured which the Government may be pleased to sanction as I am now going back to my country and also with a substantial certificate from Her Highness the Maha Rani Regent. I regret to state that the certificates granted to me on parchment were all stolen away with other things at Mysore in 1874 and I possess none at present.

I most respectfully beg to request that my case may be treated by the benign government as exceptional to the Rules and Regulations and a decent pension of Rs 70/- per mensem has recommended by the Kheddah Superintendent may be kindly sanctioned.

I shall always be prepared to come to this country whenever my services are required subject to reimbursement of my travelling expenses to and fro and my setting

the keep of Rs 200/- inclusive of pension
to in duty bound, I shall ever
pray — I beg to remain

SIR,

23

Referring to Proceedings No. 711 / 71-7-9-95 of 30th ult.
I have the honor to state that Devemale could not be profitably employed for another year as Khedda operations are suspended and it would appear bad economy to retain him on a salary of Rs 200 per mensem and travelling allowances in order that he may qualify for a pension.

2. The Dewan suggested on Wednesday that the provisions of Article 417 of the Mysore Service Regulations may be made applicable to Devemale's case three years being added to his Mysore Service which would make it 12 years qualifying for

21

for a pension of 12/60ths of average pay and I beg that his instructions on this point may be taken.

3. In any case I would stipulate for a lien on Osmeak's services in the event of Khedda operations being resumed and would grant him the Parliament certificate be asked for on a former occasion.

I have the honor to be,

Sir,

Your most obedient servant,

SIR,

In returning the retired Kheddah Field Inspector's petition forwarded with your docket No 1846 dated 10th ultimo, I have the honor to submit for your information the enclosed papers received from the District Forest Officer, Mysore. H.F. 128-95 duly returned,

From the copy of the telegram it would appear that he had only 6 years and 2 months service which is quite sufficient to enable him to get 3 years necessary to entitle him to a pension from the Mysore Government. The other papers show that he did serve in the British Government prior to his employment here. I beg that early orders may be obtained on Osseeneah's pension applicat

Most Honoured Sir

I, the undersigned most humbly and respectfully beg to represent that from two months, I am, without pay or employment, waiting for my pension, but it has not been settled yet.

With regard to the granting of pension to me, I came to understand that my service in the Mysore Government is not enough, and that in consequence three years' service of the Dacca Kheddah is to be taken and added thereto after ascertaining the same.

In the middle of the year 1889 I, under the orders of late Mr. Sanderson, obtained six months' leave from the Dacca Kheddah department, and came to Mysore in June of the same year. After the expiration of the time of leave, I was desired by the Dacca Kheddah Department to return to duty, but Mr. Sanderson wrote in reply in the year 1890 that my service having been retained in Mysore, I cannot be sent back for duty there. The correspondence etc. concerning this are in the records of the Kheddah Office of Mysore.

Therefore I humbly beg that they may be caused to be looked into and sent for

hand

As it is somewhat for me to carry on my livelyhood here without pay, I humbly pray that early orders may be kindly issued on the matter.

Awaiting for a favourable reply, I beg to remain
